

BETHLEHEM INN RULES AND GUIDELINES – FAMILIES FIRST

The Bethlehem Inn (the “Inn”) offers emergency shelter to Single Men, Single Women, and Families. Couples without minor children (regardless of marital status) are housed in separate men’s and women’s quarters. Registered sex offenders will not be sheltered at the Inn. Adult applicants must pass urinalysis and breathalyzer tests at intake and may be retested during their stay. All residents must be able to navigate the facility independently.

FAMILIES FIRST PROGRAM:

The goal of the Families First Program is to help stabilize families by providing emergency shelter and accountability.

Only immediate family members are eligible to participate in the Families First Program. Immediate family includes minor children with custodial parent(s) or guardian(s). Children must be under the age of 18. Children over the age of 18 must stay in the Singles shelter.

The Families First Program is on average a 4 week.

Families will develop with the Program Manager an Action Plan toward self sufficiency. Families must meet with the Families Program Manager once per week to review progress. Ongoing progress must be demonstrated to ensure continued stay.

If a family is offered more stable, longer-term housing and refuses the opportunity, it may affect continued residency at the Inn.

Families are generally not granted a second admission into the Families First Program due to high demand and limited space.

CASE MANAGEMENT PROGRAM: Inn resident Case Management involves the development, with the resident, of an Action Plan to assist the resident in progressing toward self-sufficiency. An Action Plan may involve budgeting, agency referral, personal development, and educational/training opportunities.

RESIDENT ACCOUNTABILITY: Residents of the Inn are responsible for their behavior and actions while at the facility. Failure to abide by these rules and guidelines may affect continued shelter at the Inn.

ACCESSING STAFF: Staff members and/or volunteers are available at the Front Desk to assist residents. **DO NOT** go directly to any office (including the Families Program Managers office) or knock on office doors. Residents may approach staff areas in case of emergency or outside the operational hours of the Front Desk (10 p.m. to 6 a.m.).

PRIVACY AND CONFIDENTIALITY:

Inn will employ best efforts to ensure the confidentiality of its residents. Inn residents must respect the confidentiality of other residents. Resident information shall be shared by the Inn with agencies and other organizations only under the conditions of a *Release of Information* (ROI) agreement signed and executed by resident.

Privacy, including, without limitation, auditory privacy, is not guaranteed in common areas of the Inn, which are subject to video and other surveillance.

Resident property is subject to search.

Inn staff perform regular Safety and Security checks, during which they may open any closed door. An announcement will be made prior to opening the door.

Inn staff perform daily room checks for cleanliness and compliance with Inn rules and guidelines.

REASONABLE ACCOMMODATION REQUESTS: Any Inn resident may request reasonable accommodation in relation to Inn rules, procedures, and practices. Inn management and the Inn Fair Housing Officer will evaluate the request on a case-by-case basis and attempt to resolve the issue through an interactive process. All reasonable accommodation requests should be directed to Inn management and/or the Inn Fair Housing Officer. Forms are available for this purpose at the Front Desk.

ASSISTANCE ANIMALS: Applicants for residency at the Bethlehem Inn with assistance animals must submit a written request for reasonable accommodation as provided above. Assistance animal immunizations **MUST** be current. Once reasonable accommodation is submitted and approved, the resident is responsible for the behavior of the assistance animal for its care and grooming. The resident is required to dispose of all animal waste. Assistance animals must be kept under control and on leash at all times. Residents are required to have a crate available for the assistance animal. Any damage to the Inn facility by the assistance animal and/or hostile behavior or harm to other residents by the assistance animal may result in immediate loss of housing or the setting of an exit date.

EMERGENCY SHELTER RULES AND ACCESS:

Residents must still sign in and out at the Front Desk. No more than three late curfews will be approved unless work related or part of a mandated program.
