

To be in the BIRCH program, residents must:

For adults over the age of 18.

1. Established relationship with a referring partner agency; all applications completed and submitted through referring partner agencies.
2. Participate actively in the program and adhere to the resident guidelines.
3. Commit to living in a clean and sober environment, with random drug and alcohol testing.
4. Agree to a curfew, with flexibility for employment.
5. Engage in communal living and comprehensive case management.
6. Work with case managers to develop and follow plans for securing stable housing.
7. Abide by a code of conduct and be responsible for their behavior and actions within the facility.
8. Utilize the provided fully furnished accommodations, which include utilities, on-site laundry, and other amenities.
9. Participate in scheduled meetings and programmatic events.

Reasonable accommodation requests can be made to Inn management and will be evaluated on a case-by-case basis.
