

BETHLEHEM INN GUIDELINES NEXT STEPS PROGRAM/ INDIVIDUAL ADULTS

Bethlehem Inn (the “Inn”) offers emergency shelter for Individual adults and families. Individuals without minor children (regardless of marital status) are housed in rooms according to their gender identity. Registered sex offenders cannot be sheltered at the Inn. Post intake, Bethlehem Inn collaborates with Oregon State Police to verify status. Adult applicants must pass urinalysis and breathalyzer tests at intake and may be retested during their stay. The Inn staff do not provide medical care, medication management, housekeeping, shower assistance, transportation or assistance around the site, or other services related.

CASE MANAGEMENT PROGRAM: The Inn currently offers housing readiness, brief intervention case management. Participants agree to communicate with staff regarding immediate needs and goals they would like to work towards (budgeting, agency referral, personal development, and educational/training opportunities, housing ready, etc.).

Bethlehem Inn’s Next Steps program is a 5-week program. Once entered into case management, individuals will be given an exit date (5 weeks from the date of intake). Every week individuals meet with a case manager to create an Action Plan and review progress towards self-sufficiency. If an individual is offered stable, long-term housing and refuses the opportunity, it may affect continued residency at the Inn. Residency is contingent upon following program expectations, guidelines and working towards self-sufficiency. A 5-week stay is not guaranteed. *Participants may gain week-to-week extensions from their case manager, taking into account goal completion, progress towards self-sufficiency, and adherence to the rules and guidelines, etc.

PARTICIPANT ACCOUNTABILITY: Participants of the Inn agree to be responsible for their behavior and actions while at the facility. Breaking this agreement may affect continued shelter at the Inn. In extreme safety and security cases a participant may be asked to leave immediately.

ACCESSING STAFF: Community volunteers/Staff are available at the Front Desk to assist residents from 4:00am – 10:00pm. After hours between 10:00pm – 4:00am, participants may

ring the building doorbell located left of the front lobby doors if assistance is needed. Participants agree to remain in their rooms between 10:00pm – 4:00am.

PRIVACY AND CONFIDENTIALITY: The staff at the Inn are committed to employ best efforts to ensure the confidentiality of its participants. Inn participants agree to respect the confidentiality of other participants. Participant information may be shared by Inn staff with agencies and other organizations only under the conditions of the *Release of Information* (ROI) agreement signed by the participant during intake. Privacy, including and without limitation to auditory privacy, is not guaranteed in common areas of the Inn, which are subject to video surveillance. **Participant property is subject to search.**

REASONABLE ACCOMMODATION REQUESTS: Any Inn participant may request a reasonable accommodation in relation to Inn procedures and practices. Inn management and the Inn Fair Housing Officer will evaluate the request on a case-by-case basis and attempt to resolve the issue through an interactive process. All reasonable accommodation requests should be directed to Inn management and/or the Inn Fair Housing Officer. Forms are available for this purpose at the Front Desk.

SERVICE ANIMALS: Participants with service animals must submit a written request for reasonable accommodation as provided above. The animal's rabies immunization must be current, the animal must be spayed or neutered, and a Deschutes county license is required for dogs. The participant is responsible for the behavior of the service animal and for its care and grooming. The participant is required to properly dispose of all animal waste. Service animals must be kept under control and respond to verbal command. Any damage to the Inn facility by the service animal and/or hostile behavior or harm to other participants or staff by the service animal may result in immediate revocation of the reasonable accommodation. Prior to any animal intake, an animal is required to pass an animal interview.
